PRINCIPAL

At the start of the year I challenged students and staff at the school to "inspire". I used the hashtag #inspire to kick this off and during the year emphasised our task to make sure we did our very best to achieve this aim.

As we are at the end of another year I want to start by thanking you, our students, for inspiring us. It is thanks to all 820 of you that we get out of bed each day and look to deliver the best education possible. It is your contribution to Warwick Academy that has inspired us, and I trust the school did the same for you in return.

This Yearbook is a record of all that inspired during the 2016-17 academic year. We experienced a leadership change, opened a new Sixth Form building, graduated 46 more students, achieved CIS Membership, celebrated the America's Cup, engaged more alumni than ever, expanded our co-curricular offerings, continued to note outstanding academic achievements, enjoyed professional concerts, practical arts displays and drama productions, went on worldwide adventures, battled opposition on the sports field and upheld the proud name and reputation of our 355 year old school.

You are also a constant reminder to the staff at Warwick Academy to continue their work in the confidence that helping others, especially the young, is the best service anyone can give. Reminded, through your example, that the time and energy they have invested in you and those who follow, will continue to generate huge dividends for our society and the world at large.

I thank our entire community for their tremendous efforts this year – teachers, office staff, administration, facilities, Board members, WAPTA and alumna. They are all key ingredients to what makes a great school. Many thanks to Mr. Totten, Mrs. Hodgkins and the Yearbook Committee for their time and creativity in producing this wonderful record of the year. Each year they seem to raise the bar.

I wish you a wonderful summer; to those moving on all the very best with your next step and to those returning we look forward to growing this wonderful school with you next year.

Enjoy and happy reading,

David Horan

Congratulations to the Class of 2017!

BF&M's Student Personal Property and Travel Insurance covers much more than you think

BF&M
BUY ONLINE 24/7

Insurance matters for students. For 365 days of the year, and for unlimited trips, student travel insurance covers:

- Replacement cost of personal property, including dorm and apartment furniture, and electronics*
- Reimbursement of travel or accommodation expenses if a trip is cancelled or curtailed*
- Compensation if involved in personal accident
- Compensation for medical and emergency travel expenses for student and/or close relatives.

Visit www.bfm.bm for quick and easy purchase online. You can also talk to a BF&M representative or purchase over the phone at 295-5566.

**For full details on coverage, please call 295-5566.*

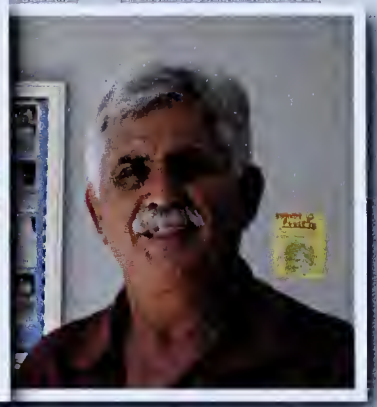
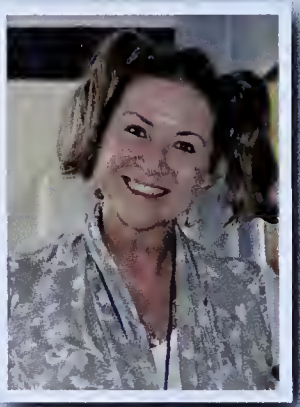
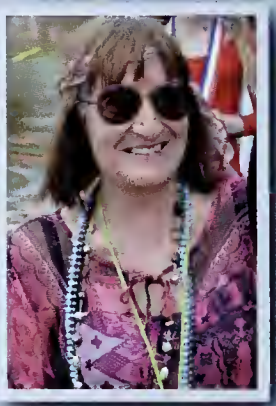
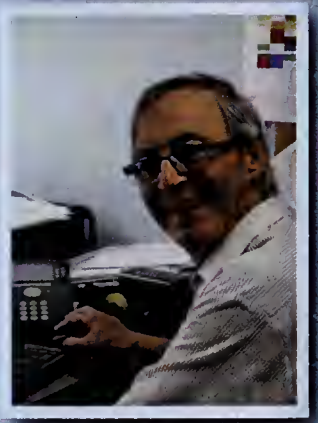
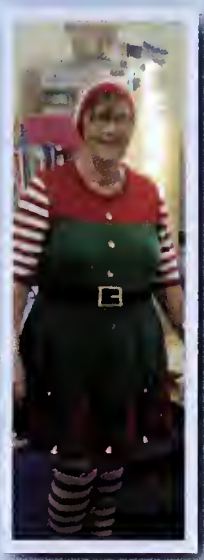
Staff

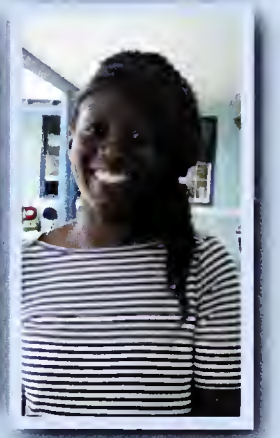


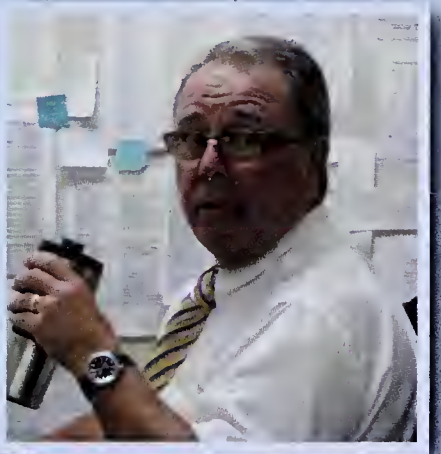


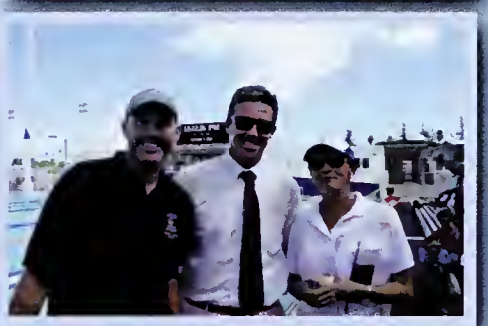












Each year, as I sit down to write the Introduction to the Primary section of the Yearbook, I stop and take a moment to look through the Yearbooks of the past – starting with the 2009 Yearbook which was published at the end of my first year as Head of Primary. This year, I noted that the students in the Graduating Class of 2017 were in Year 5 when I arrived at the school. How they have grown up, and how quickly they have reached the end of their time at Warwick Academy and are getting ready for the next step in their lives! When I look at the Year 3 page in that book, I see the face of my daughter smiling up – now in Year 11 and, as I write this, in the middle of her GCSE exams!

Time does not stand still, but each Yearbook gives us the opportunity to look at moments of time frozen: snapshots of the past year captured in between the covers of a book.

Over this last year there have certainly been plenty of moments worth capturing and there are never enough pages for all the images collected from all the events and celebrations that have taken place.

Some key Primary School events you will see represented in this edition are: our Book Week celebration of Roald Dahl; History Day; International Day; Lower Primary Winter Concert; Upper Primary production of Roald Dahl's Charlie and the Chocolate Factory; Sports Days for Reception, Lower Primary and Upper Primary; our Upper Primary Swim Meet and the Year 6 Washington Trip. These are just some of the bigger events of the year. There are also many other aspects of school life captured – too numerous to write about in this introduction.

I am certain that all students and parents will enjoy looking through the pages of this book and reminiscing for many years to come. However, it is important not to forget that an immense amount of work lies behind all the events and items shown in this Yearbook. The hard work and dedication of students, parents and staff are what makes Warwick Academy the wonderful place that it is. This book is a testimony to all that hard work and dedication. Enjoy it!

Maria Woods

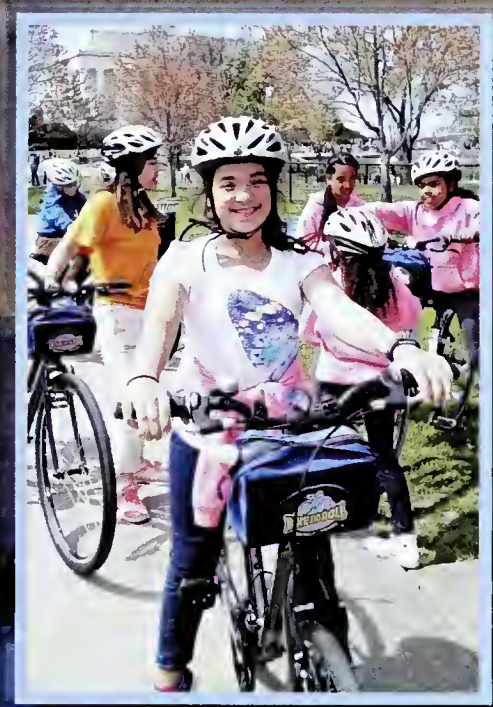
Washington Trip



Class of 2024

Welcome to the Secondary section of the Warwick Academy yearbook.

Before starting this letter I pulled my first year book off the shelf and enjoyed half an hour of reminiscing. Warwick Academy was a high school only then, the photos were in black and white and the slogan 'Just Passing Through' but the memories are as clear as yesterday. I now find myself teaching many children of the students in that book and we still enjoy exchanging stories when we meet. Present students enjoy looking through old year books, laughing at the hair styles and outfits and letting me know how much younger I looked then while surprisingly my old students always say I look just the same.

We always talk about the rich history of Warwick Academy and every year group adds to this history. New students and teachers join the school and during the year we celebrate student successes in Academics, Sport, Music, Drama and Art. The numerous extra-curricular activities throughout the year and the activity afternoons allow students to try new things and showcase their talents in other areas. Trips are taken to Iceland, Europe, Canada and the United States and are enrichment opportunities as well as for fun. Community Service bonds us with the wider community and WAPTA events bring the School family together.

To the 'Class of 2017' I send my congratulations and best wishes. At graduation we heard of the many countries you are heading to next year and hope you will keep in touch and let us know about this next chapter in your lives.

This yearbook is a reminder of the experiences, the friendships and the memories made this year and I would like to thank Mr. Totten and the Year Book Committee for all the time they have given to making this year book one I will enjoy and treasure for years to come.

Anne Coakley

As usual, this academic year has sped past us in quick fashion and as the 2016-2017 academic year comes to an end, it is a time for us to look toward our future journeys. Barber Hall is the base for all of our Sixth Form students and this academic year we have been fortunate enough to enjoy the newly renovated Barber Hall building and in particular the McCorkell Commons. There is never a dull moment in Barber Hall and every day brings laughter (usually at my expense), creative reasons to procrastinate and new excuses as to why deadlines cannot be met. Our Sixth Form students spend a lot of time in Barber Hall and they might not realise it yet, but they will soon miss the building, the staff (even me) and each other.

The Class of 2017 recently celebrated their time spent at Warwick Academy at their Graduation and Prizegiving Ceremony and can now finally relax after all the hard work they have put into their exam review, scholarship applications and I.A.'s. They are a diverse group of individuals who participate in a wide range of extra-curricular activities and I have no idea how they manage to juggle and balance all of the things they do. Like me, as they look toward their future journey beyond Warwick Academy, I am sure they will reflect fondly on their years spent here and value the strong bonds they have made with each other.

Our Year 12 students must feel like Year 11 is a distant memory. They have adjusted well to the daily routines of Sixth Form life and have coped well with the academic challenges thrown at them, often with smiles upon their faces. They have a strong sense of team spirit and I hope the support they show one another continues into Year 13. When they return to school in September they will start completing their university applications; an exciting time that pushes them one step closer to their future journeys beyond Warwick Academy.

As always, my thanks go to all staff at Warwick Academy who are enthusiastic, hardworking and dedicated to the success of all our Sixth Form students. Without their guidance, care and support, our students would not fulfil their potential. I would like to extend special thanks to Caroline Haas (Assistant Head of Sixth Form); Sara Jackson (I.B. Coordinator); Sarah Taylor and Nancy Mattola (Guidance Counsellors); Richard Cunningham and Chris Jones (for putting up with the noise generated by Sixth Form students as teachers based in Barber Hall); and our team of Sixth Form homeroom tutors for ensuring our students are successful. It certainly "takes a village to raise a child" and the Warwick Academy family is a significant part of this process.

As I now start my journey beyond Warwick Academy, alongside the Class of 2017, I wish them well for their future endeavours and hope to hear about the many accomplishments I am certain will come their way. To the Class of 2018, T-Rex and Dragon are moving to the Middle East with me – good luck for Year 13 and stay in touch.

Helen Scott
Head of Sixth Form

"Congratulations! Today is your day. You're off to Great Places! You're off and away! You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose." Dr. Seuss

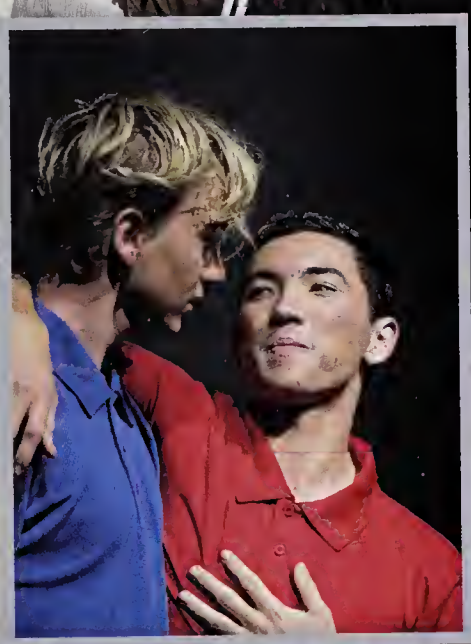
Stags and Hens



Premiering on December 1st, Stags and Hens presented a piece questioning the need for real love and the lives of the high-class versus the townies. The cast deserved their high praise, and it will become one of the most thought-provoking pieces the school has ever done.

Yearbook Committee

Dear Warwick Academy Family,

What a spectacular 2016 - 2017 academic year it has been! With many memories made over the past year, it is no surprise to see how fast this school year has gone by. I hope that you enjoy the many memories found in the pictures collected from this school year. It has been an honour for me as the yearbook editor, with the great assistance of Mr. Totten and the Yearbook Committee to present you all of the special moments of this past year.

This academic year has been comprised of many events that we can all look back on. From the school play 'Stags & Hens' to the opening of the new Sixth Form Commons, in honour of the previous Principal, Maggie McCorkell; this school year is one we will remember for years to come. With so many memories to capture, I would like to give a special thanks to Mr Totten and Mrs Hodgkins for their outstanding work and effort that they have put into the yearbook. It is your constant assistance and passion for this book which drives myself and the yearbook committee to put our best into what goes onto these pages.

I would also like to thank the yearbook committee for their hard work in putting this yearbook together and collecting the many photographs, which are captured inside. It is certainly the teamwork of the committee that makes the yearbook work as effectively as it does.

I'd like to give a special thanks to Ms Scott for her many years dedicated to Warwick Academy and especially to the Sixth Form. You definitely are the heart and soul of the Sixth Form and without you I don't know how any of us would survive. Thank you for all your hard work!

Lastly, to the class of 2017, this year has been very bittersweet for all of us. With our many coursework deadlines and exams, we all greeted graduation with welcoming arms. It is amazing to finally be to say that "We made it!", and while our time at Warwick Academy is coming to an end, we will always remember the many great memories that were made here and carry them with us, for rest of our lives.

Kind Regards, Francis Mussenden
Yearbook Editor
